

Sevananda *Be The Change* Program Features **Foreverfamily** in October

Foreverfamily, a 26 year old nonprofit that supports children with a mother and/or father in prison and supports them, their parents, caregivers and extended family member as they work to remain a family, has been selected as October's community change agent as part of Sevananda's "Be The Change" program. Throughout the month, shoppers can donate the change from their bill to Foreverfamily. Shop on Saturday, October 26th, as a percentage of all sales goes directly to Foreverfamily.
