Foreverfamily, Inc. is embarking on a 30 for 30 campaign in celebration of our 30-year anniversary of serving children with incarcerated parents. For 30 years Foreverfamily (Ff) has been making a measurable difference in the lives of children through prison bus trips, enrichment activities and surrounding our young persons with the needed extended family support. Foreverfamily has played a vital role in helping children find their voice as they struggle with depression, trauma, parental absence and behavioral challenges. Our work has definitely improved outcomes for children, parents, and caregivers of the incarcerated.

We are asking for your support. Please make a contribution to Foreverfamily in celebration of 30 years of exemplary community service! The 30 for 30 Campaign is an endowment initiative that challenges industry leaders, political partners, colleagues, friends of Foreverfamily and those who have supported our work for the past 30 years to make a special donation as we celebrate an agency milestone. Sandra Barnhill, founder, and CEO started this journey with the big vision of reducing the number of incarcerated parents through real-time interventions and supports to the family. Please help Foreverfamily celebrate this important milestone by contributing to our long-term sustainability.
